## Guidance and Discipline: What does it look like for infants and toddlers?

**Description:** During this session, you'll gain an overview of guidance and discipline for infants and toddlers and how positive learning environments can prevent challenging behaviors.

**Session Date/Location:**

July 12, 6:15pm – 8:30pm (Bargersville)

**CDA Content:** CDA01 – 0.25hrs, CDA03 – 1.5hrs, CDA08 – 0.75hrs

## Infant and Toddler Learning Centers: Setting Up Your Space to Reflect the Needs of Children from Birth-Age 3

**Description:** What materials do your infants and toddlers need? And how should those be arranged? During this session, you will dive into each learning center and see what is required by licensing and Paths to QUALITY™, why these materials are necessary for their development, and how to arrange the space to support their individual needs. After completion of the training, you will have the option to schedule time for the trainer to come to your program and assist in the arranging of your infant and toddler environments.

**Session Date/Location:**

September 6, 6:15pm – 8:30pm (Fishers)

**CDA Content:** CDA01 – 1.5, CDA08 – 0.75

## Creating Mad Scientists

**Description:** Science is all around us, and children love to experiment most of all! Using the Indiana Early Learning Foundations, you will learn to plan intentional science activities for infants and toddlers. You will gain knowledge how science impacts a child's development, how it can be integrated into multiple learning centers, and what you can do to promote scientific play.

**Session Date/Location:**

August 30, 6:15pm – 8:30pm (Columbus)

**CDA Content:** CDA02 – 2.0hrs

## Understanding the Role of Breastfeeding Support in Child Care

**Description:** Breastfed and formula fed babies are different! They need different things and they differ in the ways in which they eat. In addition, families of breastfed babies need the support of their child care provider in order to continue their nursing relationship. This training will offer information on breastfeeding support in child care delivered from a Certified Lactation Counselor. Come ready to learn a lot of new information and get all your questions answered! Aimbriel Lasley, IBCLC, will be co-training this session.

**Session Date/Location:**

September 13, 6:15pm – 8:30pm (Fishers)

**CDA Content:** CDA1 – 0.75hrs, CDA04 – 0.5hrs, CDA05 – 0.5hr, CDA08 – 0.5hrs

## Inclusive Considerations for Physical Development

**Description:** Physical development is crucial for all children, including children with challenging behaviors, developmental delays, and disabilities. In this training, you will learn how to consider each child's diverse needs and abilities as you plan physical learning activities in your classroom. Jamie Le Sesne Spears from Partnerships for Early Learners facilitates.

**Session Date/Location:** July 10, 6:30–8:00pm (Indy)

**CDA Content:** CDA02 – 1.0hrs, CDA08 – 0.5hrs

## Enjoy the Ride - Caring for Children with Special Needs

**Description:** We'll define person-first language, examine the many benefits of inclusion, and discuss an overview of commonly-diagnosed disabilities. You will leave with an increased understanding of the many strategies available to assist children with disabilities in the classroom. You never can have enough tools in your toolbox!

**Session Date/Location:** August 1, 6:15–8:30pm (Indy)

**CDA Content:** CDA05 – 1.0hr, CDA07 – 1.0hr, CDA08 – 0.25hr

## Autism 101

**Description:** Autism is a lifelong developmental disorder that impacts social skills, communication and behavior. We will cover its basic elements and how to facilitate interaction with people with autism. Specifically, we will discuss tips and practical solutions for working with school-age and younger children.

**Session Date/Location:** September 5, 6:15pm - 8:15pm (Indy)

**CDA Content:** CDA01 – 1.0, CDA02 – 0.5hrs, CDA03 – 0.5hrs

## Social Skills Stories and Other Visual Supports

**Description:** Ever wondered how to introduce new social concepts to the children in your classroom? Use stories! We'll learn how to use words, pictures, posters, or other visuals to create our own social stories. These stories can then teach children the process of a particular social skill, such as following schedules or taking turns. You'll then learn to use different strategies so your story can meet the needs of each child.

**Session Date/Location:** July 25, 6:15 -8:30pm (Indy)

**CDA Content:** CDA01 – 1.0hrs, CDA03 – 1.25hrs

## Let's Talk! Breaking Down Communication Barriers with Families

**Description:** Let's discuss ways to break down communication barriers with families. We will discover ways to strengthen, assist, empower, and support families. We will discuss strategies to build positive partnerships, how to share information regarding the child's progress, and how to effectively communicate and connect with families.

**Session Date/Location:** July 20, 6:15–8:30pm (Indy)

**CDA Content:** CDA04 – 2.25hrs

## Help! What are These Big Feelings: Helping Children Who Get Overwhelmed with Anger or Anxiety

**Description:** Do you work with children easily overwhelmed by big emotions? This session gives you tools and strategies on how to strengthen your environment to reduce aggression and anxiety. We'll discuss how to use appropriate strategies to support children with anger or anxiety and ways to effectively collaborate with parents to support their young children.

**Session Date/Location:** September 20, 6:15 –8:30pm (Indy)

**CDA Content:** CDA03–1.5hrs, CDA04 –0.5hr, CDA07– 0.25hrs

## ADHD: Facts & Fiction

**Description:** Get the facts & fiction about ADHD! You will learn strategies and techniques for meeting the needs of each individual child in the classroom. We will discuss the importance of relationships and how the physical environment can also play into ways to help support children with ADHD.

**Session Date/Location:** September 28, 6:15–8:30pm (Indy)

**CDA Content:** CDA03 – 2.0hrs, CDA04 – 0.25hrs

## Managing Food Allergies in Child Care

**Description:** When children are in a high quality environment where their basic health, safety, and nutrition needs are met, they are able to develop and learn at an optimal level. Food allergies present a unique challenge for child care providers. In this session, learn to recognize the difference between food allergies and food aversions. You will gain strategies to support the child's healthy development and resources for the home.

**Session Date/Location:** August 8, 6:15 –8:30pm (Carmel)

**CDA Content:** CDA01 – 2.25hrs

### Foundations: Science

**Description:** Infants and young children are natural scientists. Guidance and structure expands their curiosity and activities into something more scientific –to practice science. The goal of science curricula should be to help children understand the natural world through a process known as scientific inquiry. During this workshop, we discuss all things science, as it relates to the Foundations: physical science, earth and space, life science, engineering, and scientific inquiry. You will learn to use knowledge of science content, concepts and learning trajectories to design the curriculum and learning environments. The focus of this workshop is to create age-appropriate scientific learning experiences, while utilizing the Foundations.

**Session Date/Location:**

September 14, 6:15pm – 8:30pm (Fishers)

**CDA Content:** CDA02 – 2.25hrs

*Note:* Foundations: English/Language Arts concluded 7/20.

### Using Pinterest In a Developmentally Appropriate Way

**Description:** Pinterest is a wealth of knowledge, but not everything there is truly developmentally appropriate. You will learn developmentally appropriate practices in the early childhood world. We will relate this back to planning engaging, hands-on activities for the children in your care. Let's learn how you can use Pinterest in a developmentally appropriate way!

**Session Date/Location:**

August 3, 6:15pm – 8:30pm (Bargersville)

**CDA Content:** CDA02 – 1.0hrs, CDA08 – 1.25hrs

### Lesson Planning for Young Children

**Description:** In this session, you will learn what to consider when writing your lesson plans. There are many pieces to the lesson-planning puzzle, so it can get tricky to navigate. We will talk about how to plan your lessons/experiences using your observations and assessments as a guide. We will also discuss how you can ensure development across all key areas. Once we discuss logistics, we will take what we learned and work together to plan a lesson. Being an intentional lesson planner is key to setting the children in your care up for success.

**Session Date/Location:**

July 25, 6:15pm – 8:30pm (Columbus)

**CDA Content:** CDA2–0.75hr, CDA03–0.75hr, CDA07 – 0.75hr

### Foundations: Mathematics

**Description:** Young children can learn math content if you provide daily opportunities for problem solving, reasoning, communication, connections, and representations. Adults can help develop these processes over time by connecting math to everyday activities. The Indiana Early Learning Foundations were designed to support teachers, parents, caregivers, and other professionals as they develop appropriate experiences for young children. During this session, we discuss all things math, as it relates to the Foundations: numeracy, computation and algebraic thinking, data analysis, geometry, and measurement. You will learn how to use knowledge of math content, concepts and learning trajectories to design your curriculum and learning environments. We will focus on creating age-appropriate math learning experiences, while using the Foundations.

**Session Date/Location:**

August 8, 6:15pm – 8:30pm (Indianapolis)

**CDA Content:** CDA02 – 2.25hrs

### It's Okay NOT to Share

**Description:** We've all witnessed a moment where children argue over a toy. Not wanting to share is 100% developmentally appropriate. Instead of *making* them share, let's understand their development and why it is OK for them to not share. Sharing comes in stages. We'll learn how children develop the ability to share and how you can help develop that skill.

**Session Date/Location:**

September 21, 6:15pm – 8:30pm (Bargersville)

**CDA Content:** CDA03 – 2.25hrs

### Serving It Up: Child Health and Nutrition

**Description:** Child health and nutrition is about more than childhood obesity. You will gain knowledge of health and nutrition practices that will set the children in our care up to be happy and healthy. Picky eaters? Let's talk about it! Modeling positive health behaviors? Let's talk about that too! We will also be talking about physical activity and what those children in your care need. Instilling positive health behaviors in young children helps them to have continued understanding of the importance of healthy choices.

**Session Date/Location:**

August 22, 6:15pm – 8:30pm (Carmel)

**CDA Content:** CDA1 – 1.25hrs, CDA02 – 1.0hrs

## Learning Centers 102

**Description:** How can we make learning centers different and more appealing? Learn how to embed a variety of learning approaches and strategies into the classroom. We also identify ways to improve our learning centers and ensure they support development across all key areas and developmental stages.

**Session Dates/Location:** Sept. 12, 6:15pm – 8:30pm (Indy)

**CDA Content:** CDA02 – 2.25hrs

## Understanding and Nurturing a Child's Fascination with Superheroes

**Description:** What is superhero play? Why is it so appealing to children? What can teachers do about it? We will examine strategies to promote safe superhero play in the classroom and how it can promote curiosity, exploration, and problem solving.

**Session Date/Location:** July 6, 6:15pm – 8:30pm (Indy)

**CDA Content:** CDA01 – 0.5hr, CDA03 – 1.25hrs, CDA08 – 0.5hr

## Creating a Positive Classroom Community

**Description:** Learn how to build positive relationships within your classroom. People don't always realize that the environment you create is a community. Gain strategies to assist you and the children in establishing positive and nurturing relationships with one another. Consistent, stable, and nurturing relationships are key; they help support the development and learning of the children in your care.

**Session Date/Location:** September 19, 6:15- 8:30pm (Indy)

**CDA Content:** CDA01 – 2.0hrs, CDA02 – 0.25hrs

## Building Relationships with Challenging Children

**Description:** Understand the importance of establishing positive and consistent relationships to foster social and emotional development, even with children with challenging behaviors. Teachers will learn how to use intentional interactions to support child development.

**Session Date/Location:** July 22, 9:30–11:45am (Noblesville)

**CDA Content:** CDA03 – 2.25hrs

## Rules vs Routines: Using Visuals for Both to Reduce Challenging Behaviors

**Description:** Learn how to consistently deploy productive routines that increase predictability and learning opportunities. You will gain practical strategies to take back to the classroom with the intention of decreasing challenging behaviors.

**Session Date/Location:** August 21, 6:15pm – 8:30pm (Indy)

**CDA Content:** CDA03 – 1.75hrs, CDA08 – 0.5hrs

## Behavior Busters

**Description:** Young children need a teacher to promote positive socio-emotional development and self-regulation, even when the behavior is challenging. Learn effective ways to address challenging behaviors while reflecting on your own role as the teacher in guiding the self-regulation process. After this course, you'll know how to use guidance techniques and model positive behaviors to help children self-regulate and act responsibly.

**Session Date/Location:** July 11, 6:15pm – 8:30pm (Indy)

**CDA Content:** CDA03 – 2.25hrs

## Classroom Management: Let's Get it Together

**Description:** Through positive guidance techniques, learn how to provide consistent and productive routines and schedules and a sense of emotional calm in your learning environments.

**Session Date/Location:** Sept. 26, 6:15pm – 8:30pm (Indy)

**CDA Content:** CDA01 - 1hr, CDA03 - 1.75hr, CDA08 - 0.5hr

## Bullying 101: Is it happening in my program?

**Description:** Bullying is a growing concern among afterschool programs committed to keeping children safe during the late-afternoon hours. Establishing positive and consistent relationships to foster social and emotional development is key to the responsibilities of those working with school age children. This training will focus on the definition of bullying, forms of bullying, symptoms of the bullied child, ways to support a child who is being bullied, and intervention strategies.

**Session Date/Location:**  
September 23, 9:00am – 11:15am (Indianapolis)

**CDA Content:** CDA03 – 2.25hrs

## All Things School Age for Family Child Care Providers

**Description:** Are you a family child care provider? If so, you know first hand the many challenges for caring for school age children in your mixed age environment. Unlike child care center teachers, you often care for children of many ages. You may offer services for children as young as six weeks of age and may provide after school or summer care for older children as well. In this session, we will look at creating an environment which supports the development of school age children, along with strategies to meet the individual needs of those children.

**Session Date/Location:**  
September 19, 6:30pm – 8:45pm (Indianapolis)

**CDA Content:** CDA01–1.0hr, CDA02 –1.0hr, CDA03 – 0.25hrs

## Bullying 102: How to help kids become "victim proof"

**Description:** This workshop will help you know the importance of establishing positive and consistent relationships to foster social and emotional development. We will discuss strategies for helping children lose the "victim" mindset and becoming "bullyproof".

**Session Date/Location:**  
September 23, 11:45pm – 2:00pm (Indianapolis)

**CDA Content:** CDA03 – 2.25hrs

## Family Engagement in Out of School Time: Not just a newsletter!

**Description:** Family engagement is more than sending a newsletter to parents. In this workshop, we will explore the family's role as primary educator and decision maker. This workshop will also teach professionals strategies for building positive reciprocal partnerships with families for children in their care.

**Session Date/Location:**  
July 26, 6:15pm – 8:30pm (Indianapolis)

**CDA Content:** CDA04 – 2.25hrs

See **Training Central** at [iacrr.org](http://iacrr.org) for live webinar topics:

### Teacher Wellbeing Series: Introduction to the Workforce

**Description:** During this session, we will be going over an "introduction to the workforce" and the early childhood workforce in general. It is important that, as early childhood educators, we are self-reflective. We will be talking about a lot of statistics that pertain to the early childhood field. Let's talk about how we can build you up so you can be the best caregiver possible.

**Session Date/Location:**  
August 29, 6:15pm – 8:30pm (Indianapolis)

**CDA Content:** CDA06 – 2.25hrs

### Teacher Wellbeing Series: What is emptying your tank?

**Description:** You are in a field of caregivers. Too often, we find ourselves giving too much and not taking care of ourselves. We will discuss the things in life that may be "emptying your tank". It's important to take care of yourself and reflect on what you need to be the best you can be. We also discuss why you do what you do. Early childhood educators are so valuable. Let's celebrate you and the wonderful work you do!

**Session Date/Location:**  
September 28, 6:15pm – 8:30pm (Indianapolis)

**CDA Content:** CDA06 – 2.25hrs

### Managing Stress and Burnout in the Early Childhood Field

**Description:** Stress and burnout are common in the early childhood field. We discuss how to manage your stress and take care of yourself. It's important for you as the adult to learn self-care to manage your own feelings, to in turn help take better care of each child.

**Session Date/Location:**  
September 7, 6:15pm – 8:30pm (Indianapolis)

**CDA Content:** CDA06 – 2.25hrs

## Growing up WILD – Early Childhood Science Curriculum Workshop

Join us in our partnership with the Indianapolis Zoo for *Growing Up WILD* on Saturday, July 15! During this workshop, you will learn about the Growing up WILD curriculum and take home your own copy. The curriculum builds on children's sense of wonder about nature and invites them to explore wildlife and the world around them. Through a wide range of activities and experiences, Growing up WILD provides an early foundation for developing positive impressions about the natural world and lifelong social and academic skills.

**CDA Content:** CDA02 – 3.0hrs

**Cost:** Only \$20, which includes an *entire early childhood science curriculum!* Call our office at (800) 272-2937 to make your payment by credit card. Spots cannot be reserved until we receive payment.

## Child Development Associate (CDA) Credential

Mollie Smith  
CDA Coordinator  
[mollies@childcareanswers.com](mailto:mollies@childcareanswers.com)

The Child Development Associate (CDA) National Credential is the most widely recognized credential in early childhood education and is a key stepping stone on the path of career advancement. The program's purpose is to enhance the quality of early child care by defining, evaluating, and recognizing the competence of early child care professionals across the country. This process includes 120 clock hours of formal training in specific areas, a portfolio, family questionnaires, a verification visit, and an online exam. For more details about the specific process and requirements, visit the CDA Council's website at [cdacouncil.org](http://cdacouncil.org).

### CDA Education Hours

Depending on your learning style and availability, we offer a few different options. See [Childcareanswers.com](http://Childcareanswers.com) for more detailed info.

- **Face-to-face Training** – We offer programs with varying schedules and completion times, each with their own individual requirements. Your cost may be as little as \$100, thanks to scholarships through generous partners. To get started, fill out our wait list form at [bit.ly/cdainterest](http://bit.ly/cdainterest). We will contact you to let you know when we have a spot available that fits your needs.
- **Online Training** - Smart Horizons also offers an Online Education CDA through the Child Care Aware Training Academy for \$299, with portfolio assistance for an additional \$500. Find more info at [smarthorizons.org/naccrra/ccan](http://smarthorizons.org/naccrra/ccan).

### Renewing or Updating Your Expired CDA

All CDA credentials are valid for three years from the date of the award. There is no longer a grace period for an expired CDA. Keep all documentation for trainings and other professional development from the date of earning your credential. We suggest you start the renewing process six months prior to expiration. All info you submit for a renewal goes directly to the CDA Council in Washington D.C. Child Care Answers does not have any control or management over your CDA renewal. **If your CDA has expired, your 120 hours do not expire.** You will need to review and update your portfolio and reapply for the assessment process (verification visit and online exam). Go to [cdacouncil.org](http://cdacouncil.org) > Credential > Renewal to view helpful checklists. If you need an ECE Reviewer, contact Mollie Smith.

Child Care Answers offers INHS Health and Safety trainings offer in a series each month. Pick and choose the classes the work best for you or attend all three classes together in the series.

## Health and Safety Day 1

**Description:** This course is an introduction to child development, touching on each developmental domain for infants, toddlers and preschoolers. Upon completion, you will be able to define child development and examine developmental domains for infants, toddlers, and preschoolers. You will also identify how to involve and collaborate with parents to support positive child development, in addition to identifying causes of childhood obesity and the link to physical activity. This training meets the Health and Safety orientation training requirements for topic areas: 8. Prevention of sudden infant death syndrome and use of safe sleeping practices (if applicable), 10. First Aid and CPR Overview 11. Major domains of Child Development (recommended)

**Session Date/Location:**

August 10, 6:00pm – 8:30pm (Indianapolis)

**CDA Content:** CDA01 – 2.5hrs

## Health and Safety Day 3

**Description:** This training will focus on vaccinations and medications, and we'll discuss how vaccinations work and why it is important to immunize children and adults. We will also discuss current medication storage and distribution practices. Other topics include physical activity and infection disease. Upon completion of this course, you will be able to implement strategies to stop the spread of infectious diseases, including immunizations. You will also be able to describe the relationship between a developmental stage and risk of injury, as well as implement procedures for storing medication and hazardous materials. This training meets the Health and Safety orientation training requirements for topic areas: 1. Prevention and Control of Infectious disease (including immunizations) 2. Administration of medication consistent with standards for parental consent 6. Handling and storage of hazardous materials and appropriate disposal of bio-contaminants 10. First Aid and CPR Overview
